Dear bde

I regret that my letter will not
arrive in time for the departure of the Delegation:

In case, however, that any communication is
maintained with the delegation whilst in Spain, I am
forwarding the one message of the members of this Branch.

This Branch sends fraternal greetings to
the Spanish workers, and promises them their support
in their fight for democracy, and can only
admire the courage shown. Such a spirit could
only be inspired by such an ideal.

Yours Fraternaly
