Comrades:

It is with unbound joy and pride that we greet the victorious young Socialists of Spain. The time has finally come when the socialist movement which has henceforth been underground, has been able to crush its oppressor. For this and in the spirit of international comradeship we greet you.

We of America can only hope that in the future we will be as powerful as the Socialist movement of Spain. We look upon your strength with envy. However we are an international movement and such jealousies should not arise.

The American Student Union, the organization which is writing you is not a Socialist or Marxist one. It is, however, dedicated to peace, freedom, security and equality. We both have these grounds in common.

In order to consolidate the internationalism which exists, we have organized a correspondence bureau. The initial steps are difficult ones. Lists of people desirous of corresponding have to be gotten together. In order to start the ball rolling you could send us the lists you gather. We will distribute these among our local bodies, who in turn will give them to interested individuals.

with comradely salutations

Adolph Jacobson

Membrete: UNION AMERICANA DE ESTUDIANTES.

A la Juventud Socialista Española.
Por mediación de la Internacional de
Juventudes Socialistas.-
Palackeho trida 24.
Praga X, Checoeslovaquia.

Compañeros:

Hemos recibido con indescriptible alegría y orgullo la noticia de la gran victoria de los jóvenes socialistas de España. Por fin ha llegado el momento de que el movimiento socialista que había sido hasta ahora oprimido haya podido aplastar a suopresor. Por esta causa y por espíritu de camaradería, os enviamos nuestra felicitación.

Nosotros en América podemos sólo esperar que en el porvenir seremos tan fuertes como el movimiento socialista español. Contemplamos vuestra fuerza con envidia, pero como nos ~~encontramos~~ en el movimiento internacional los celos no pueden existir entre nosotros.

La Unión Americana de Estudiantes, la organización que se dirige a vosotros, no es socialista ni marxista. Defiende sin embargo la paz, la libertad, la seguridad y la igualdad, en las cuales tanto vuestro movimiento como el nuestro tienen una base común.

Con el objeto de consolidar el internacionalismo, hemos creado una Oficina de correspondencia. El principio es siempre dificultoso. Hay que establecer listas de personas que deseen entrar en correspondencia, y con el objeto de empezar esta labor os rogamos nos envieis listas de nombres. Nosotros las distribuiríamos entre las organizaciones locales, las cuales las entregarián a individuos a quienes pudiesen interesarles.

Con nuestros saludos de compañeros.

Adolph Jacobson.
